Sales Director

Introduction by Steve and Tessa Gillingham

Premier Fish Ltd was created in 1995, firstly as a local retailer, we have now grown into becoming a leading supplier of quality fresh fish/frozen seafood/delicatessen and game products delivering and supplying the south of England.

Our reputation has been built on our prompt personal service, our ability to supply a top quality product and our preparation service, which is carried out to the highest standard by our fully qualified members of staff.

We have access to a wide network of suppliers from all over the UK, audited and personally checked by our buyers. All fresh products are bought on a daily basis and prepared to the customer's exact specification upon request. Frozen seafood products are bought and delivered to us three times a week then stored in our own purpose built cold store, our strict stock rotation policy ensures that our customers always receive products with a maximum storage life.

Due to a dramatic increase in business Premier Fish recently undertook a major refurbishment. This included a mezzanine floor, which more than doubled our office space, an additional cold store and increased the size of our fish preparation area. We have also added a number of new refrigerated vehicles to our existing fleet.

Premier Fish now have a price match guarantee policy which means we will not only match any price our competitors can offer but where possible Premier Fish will be cheaper as long as it's evident that it's a like for like product.

Tony White, our hard working Sales Director, or one of our experienced sales team will personally make contact with you the customer immediately, or at a given time which is convenient, to discuss your individual needs, Fresh fish can be prepared to your exact specification by our own fully skilled members of staff. To finish fresh fish orders are then boxed up, iced down and delivered on a six day week basis by our fleet of fully refrigerated vehicles.

We are continuing to improve and expand our product range and we are confident we can offer a quality friendly service that is second to none. After browsing through this new product list, which includes a variety of new products, why not contact us with your requirements then let our expertise do the work for you.

Please note, not included in this brochure are details of a full range of quality fresh fish that we can also offer, the reason being that there are far too many varieties and sizes available. If you have any special requests or needs, please do not hesitate to contact us.

Terms & Conditions

1. DEFINITIONS

In these terms and conditions:

- 1.1 "The Company" means Premier Fish
- 1.2 "The Customer" means any person, firm, company or other legal entity which places an order, or buys any products from the Company and includes the employees, servants, agents, principals (whether disclosed or undisclosed) or sub-contractors of any such person, firm company or other legal entity.
- 1.3 "Customer Nominated Product" means a Product that is not sourced by the Company but which at the request of the Customer the Company has agreed to purchase from the supplier thereof and supply to the Customer.
- 1.4 "Food" means any food or beverage.
- 1.5 "Contract" means a contract between the Company and the Customer for the sale and purchase of the Products.
- 1.6 "Products" means any Food and/or Equipment agreed in the Contract to be supplied by the Company to the Customer.
- 1.7 "Statutory Interest" means interest as defined in the Late Payment of Commercial Debts (Interest) Act 1998.
- 1.8 "Terms and Conditions" means these terms and conditions of sale.

2. APPLICABILITY OF TERMS AND CONDITIONS

These Terms and Conditions shall be incorporated into the Contract and shall apply in place and prevail over any terms and conditions contained or referred to in any communication from the Customer or implied by custom or practice. Other purported terms and conditions are expressly rejected by the Company.

3. ORDER AND CONTRACTS

- 3.1 By placing an order with the Company either via the Company's telesales department or the Company's website the Customer is offering to contract with the Company on the basis of these Terms and Conditions. The Contract shall be formed when the Company acknowledges acceptance of the Customer's order or delivers the Products to the Customer whichever occurs earlier. The Contract is subject to availability of stock. Neither the Company's price list nor any prices which appear on the Company's website constitute an offer and the Company may amend its published prices at any time prior to formation of the Contract in accordance with this Condition. Any current price list replaces all previous price lists. Prices are quoted exclusive of VAT which shall be charged if applicable.
- 3.2 The Company's prices and specifications are quoted at the time of order. If additional preparation work to the Product is requested (eg, fish gutting, filleting, skinning, boning), this will result in an element of waste that is usually discarded. On these occasions the delivered weight will be lower than the invoiced weight. Price and weight shall refer to the Product prior to any subsequent preparation process. Waste product can be included upon request.

4. VARIATIONS AND DISCOUNTS

- 4.1 Unless otherwise agreed in writing the Company reserves the right to make such amendments to the Contract as it thinks fit or to terminate the Contract should any information or data be supplied by the Customer to the Company prove to be incomplete or inaccurate in any respect.
- 4.2 The Company reserves the right to vary or alter the specification of Products without notice unless agreed in writing with the Customer.
- 4.3 Any discount which may be agreed between the Customer and the Company will only be binding on the Company if such an agreement is evidenced in writing and these terms and Conditions are strictly complied with.
- 4.4 Any forbearance by the Company in continuing to allow discounts in the event of breach by the Customer of any Terms and Conditions shall not be deemed to be a waiver of the Company's rights and the Company shall be entitled to claim the undiscounted price of all Products supplied under the Contract.

5. TITLE

- 5.1 Title in the Products shall not pass to the Customer until the Company has received in full (in cash or cleared funds) all sums due to it in respect of the Products and all other sums which are or which become due to the Company from the Customer on any account.
- 5.2 Until title passes to the Customer, the Customer shall hold the Products on a fiduciary basis as the Company's bailee; store the Products separately from all other products in such a way that they are clearly identifiable as the property of the Company; maintain the Products in a satisfactory condition and keep them insured on the Company's behalf for their full price against all risks to the reasonable satisfaction of the Company.
- 5.3 In the event of non-payment on the due date for whatever reason of any sums due from the Customer to the Company, or in the event that any of the terms of insolvency detailed in Condition 12 commences against the Customer, the Company, its agents and employees shall have the right, without giving notice and without incurring liability, to enter into the Customer's premises and to take possession of the Products to which title has not passed. This right shall be without prejudice to any other legal rights or remedies available to the Company.

6. RISK

The risk of loss or damage to the Products shall pass to the Customer upon delivery to the Customer's premises and subject to Condition 8.2, signature of a delivery note for the Products by a responsible person on behalf of the Customer provided that the Company shall not be responsible for any loss or damage to the Products sustained whilst on the delivery premises but before signature of the delivery note if such loss or damage arises as a consequence of the condition of the delivery premises or the act, default or omission of the Customer or its representative.

7. SETTLEMENT TERMS

- 7.1 Where credit is granted, unless otherwise agreed in writing all sums payable in respect of Food and Non-Food must be paid without deductions within 14 days from the end of the calendar month in which the invoice was raised.
- 7.2 Failure to pay by the due date shall entitle the Company to suspend delivery of all unexecuted orders. The time for payment of the price of the Products shall be of the essence.
- 7.3 The Company reserves the right at any time in its absolute discretion to demand immediate payment of any account whether due or not and to take legal action to recover the debt and costs.
- 7.4 If payment is not made in accordance with this Condition, the Company reserves the right to charge Statutory Interest on the overdue balances for the period from the date on which payment became due until the date on which payment is made including any period after the date of any judgement or decree against the Customer.
- 7.5 In the event of any cheques, standing orders or direct debits due from a Customer to the Company being dishonoured, a charge of £50 (or such other sum as the Company may from time to time advise the Customer) will be made on the Customer's account to cover bank and administrative costs.
- 7.6 The Company reserves the right in its absolute discretion to refuse to grant credit.

8. DELIVERY AND DELAY

- 8.1 Deliveries of Products to the Customer shall be in accordance with the Company's delivery schedule. The Company shall not be liable for any loss or damage whatsoever arising as a result of failure to deliver products by a particular date or arising as a result of any cause beyond the Company's control. Time for delivery shall not be of the essence unless otherwise agreed by the Company in writing.
- 8.2 Delivery of product shall be made by the Company to such reasonably accessible premises as the Customer shall reasonably require. The Customer shall allow the Company reasonable access to such premises and shall use best endeavours to ensure that a responsible person shall be at the place of delivery to take delivery of the products and to sign for them. In the event of no such person being present at the time of delivery the Customer hereby consents to the Company leaving the Products at what appears to be the premises nominated by the Customer as the place of delivery and when the Products are so left risk in the Products shall pass to the Customer and no liability shall remain with the Company in respect of the Products.
- 8.3 If the Customer fails to take delivery or fails to give the Company adequate delivery instruction at the time stated for delivery then without prejudice to any other right or remedy available to the Company, the Company may do one or more of the following:
 - 8.3.1 charge the Customer the cost of carriage of the refused delivery both to and from the premises of the Customer in addition to the Company's administration charges involved.
 - 8.3.2 charge the Customer the full cost price of the Products and a sum in respect of its loss of profit provided that the Company shall use its reasonable endeavours to mitigate such loss;

9. ACCEPTANCE AND CLAIMS PROCEDURE

- 9.1 The Customer must check that the quantity and specifications of Products delivered correspond with the Contract before signature of delivery note.
- 9.2 Claims in respect of short deliveries or damage to Products reasonably visible on inspection must be made to the Company within 24 hours of the time of the delivery which gives rise to the claim. The Customer must retain damaged Products for inspection and collection. Credit will only be granted by the Company if the provisions of this Condition are complied with.

10. CANCELLATION OF CONTRACT

The Contract may not be cancelled by the Customer without the written consent of the Company. The Company reserves the right upon consent being given to levy a cancellation charge of not less than 20% of the standard list price of the Products which are the subject of the Contract to cover the company's losses arising from the cancellation. Non-stock Products ordered on behalf of the Customer cannot be returned, unless the manufacturer agrees to accept them.

11. INSOLVENCY OF CUSTOMER

In the event that:

- 11.1 the Customer makes any voluntary arrangement with its creditors, proposes to enter into a company voluntary arrangement, enters, into administration, is unable to pay its debts as they fall due, makes application to a Court to suspend enforcement action against it, goes into liquidation (in the event that the Customer is a company) or becomes insolvent, enters into a trust deed or voluntary arrangement for the benefit of its creditors (in the event that the Customer is an individual or firm), or if the equivalent occurs under any jurisdiction; or
- 11.2 an enforcement officer takes possession of, or a receiver or administrative receiver is appointed over, any of the property of assets of the Customer; or
- 11.3 the Customer suspends any payments hereunder or ceases, or threatens to cease, to carry on business; or
- 11.4 the Company reasonably considers that any of the events mentioned above is about to occur in relation to the Customer and notifies the Customer accordingly;

then without prejudice to any other rights or remedies available to the Company, the Company shall be entitled forthwith to cancel the Contract or suspend further deliveries under the Contract without any liability to the Customer and if the Products have been delivered but not paid for, the price shall become immediately payable notwithstanding any previous agreement to the contrary.

12. WARRANTIES

- 12.1 The Company warrants that all Food Products (with the exception of Customer Nominated Products in respect of which the Company's complete responsibility is set out in Condition 16) shall comply with the Food Safety Act 1990 and all relevant UK legislation from time to time in force. The Company warrants that all non-Food Products (with the exception of Customer Nominated Products in respect of which the Company's complete responsibility is set out in Condition 16) shall comply with all relevant UK legislation from time to time in force.

13. LIMITATION OF THE COMPANY'S LIABILITY

- 13.1 The Company limits its liability to the maximum extent permitted by law as follows:

14. CUSTOMER NOMINATED PRODUCTS

The customer shall provide the Company with full details of all suppliers of Customer Nominated Products in order for the Company to fulfil its obligations under the Contract.
- 14.2 The Company shall purchase Customer nominated Products from suppliers at the price agreed with the suppliers by the customer. The Customer shall provide the Company with a price file for each supplier of a Customer Nominated product showing the relevant cost.
- 14.3 Unless otherwise agreed, the Company shall arrange for Customer nominated Products to be delivered into its depot for onward delivery by the Company to the Customer. Upon delivery of Customer nominated products into its depot the Company shall check such Products for obvious external damage and shall reject any such Products which are clearly damaged. The Company shall not be obliged to carry out any other checks or quality control inspections in relation to Customer Nominated Products and Customer Nominated Products are sold by the Company to the Customer on this basis.
- 14.4 The Customer acknowledges and agrees that the inability of the Company to perform any part of the Contract by reason of the performance deficiencies of any or all of the suppliers of Customer Nominated Products shall not be deemed to be a material breach of the Contract by the Company and to the extent that it is able according to law the Customer will pursue its remedies directly against the defaulting supplier of the Customer Nominated Product. The Customer's remedies against the Company in such circumstances shall in any event be limited to the remedies which the Company reasonably has against the defaulting supplier of the Customer Nominated Product.

15. FORCE MAJEURE

The Company reserves the right to defer the date of delivery or reduce the volume of Products ordered by the Customer or to cancel the Contract without any liability to the Customer if it is to be prevented from or delayed in the carrying out of its obligations under the Contract due to circumstances beyond its reasonable control including without limitation any failure or delay on the part of the manufacturer of any of the Products to supply the Products to the Company, any strike, lock-out or other industrial action, fire, explosion, flood, closure of motorways or other roads leaving no alternative route, unusually severe weather conditions or unusually severe traffic congestion which could not reasonably have been anticipated leaving no alternative route, loss of power or telecommunications systems or computer failure or breakdown.
